Veterans, Active Military & First Responders Ride Free!

Boston Duck Tours Says: "Come on and Take a Free Ride!"

Over the past twelve years, the twenty-eight amphibious vehicles of Boston Duck Tours, ones that are styled after the vehicles that carried troops and equipment in both the European and Pacific theater - have transported over seven million people (and all of our favorite sports teams) on the city's most unique, educational, and fun tour. In recognition of all the military personnel and first responders who have served and sacrificed for our country, Boston Duck Tours is, for the 16th year in a row, offering free rides to all war-and-peace-time military personnel during the week of Veterans Day, November 11 through 15.

"All someone has to do is show some proof of service or employment as a first responder," says Boston Duck Tours CEO, Cindy Brown. "That proof can be a badge, ID, military ID, your discharge papers, a membership card in a veteran's organization, medals, ribbons, we'll even accept signed or oral statements from a former superior officer. Our goal is to make people from every service feel welcomed and, in our own way, to say thanks to them for their sacrifices."

Boston Duck Tours will also offer all spouses and children of any present or past military personnel a special \$10.00 per person ticket. Boston Duck Tours is offering this small token of gratitude to military and their families to show them how much they are appreciated and thought of.

Military personnel including veterans of the armed forces, active duty personnel, reserves, national guard and dependents of armed forces personnel that are currently serving overseas as well as first responders will be entertained by Boston Duck Tours' squadron of tour guides, also known as ConDUCKtors. These men and women are not only well-versed in Boston history (as well as being Coast Guard registered captains), but each presents the tour in his own unique qualities to the tour, one can ride Boston Duck Tours several times and have a new experience each time.

Tickets may be reserved at any Boston Duck Tours ticket counter at the Prudential Center or Museum of Science.
